

H700

Choose Best in Class UV Image Quality and Affordability

The Rastek H700 UV Hybrid Flatbed from EFI™ delivers best in class image quality at an affordable price. It's the perfect choice for production and print shop environments where quick service, superior image quality and smaller footprints are the keys to customer satisfaction and increasing profit.

The printer comes with several benefits:

- Produces photographic image quality for demanding customers.
- Comes with four-color plus the optional white ink support for spot color and under and over print, providing businesses with more options to increase their capabilities and profits.
- Handles a wide range of flexible and rigid media quickly and easily with specialized vacuum belt media transport system.
- Has gray scale print heads that produce exceptional image quality, saturated colors and smooth color gradations by utilizing eight size drops ranging from six Pico-liter drops for fine detail to 42 Pico-liter drops.

Ideal Applications

- Banners
- Billboards
- Display graphics
- Exhibition graphics
- Flags
- Indoor and outdoor signage
- Posters
- Point-of-Purchase advertising

Optimized and tested on:

- Fome-Cor
- PVC
- Styrene
- Corrugated plastics
- Plywood
- MDO
- Paper
- Aluminum
- Aluminum plastic composite
- Cardboard
- Acrylic
- Glass
